

Universeal Cancellations, Returns and Refund Policy

It is understood that each order is placed with the purchaser's full acceptance of all general conditions established by the seller.

- 1. 14 days to Return** - If you are unhappy with your order, you may return it to Universeal within 14 days of the date of delivery.
The item must be in its original condition, with all packaging materials, leaflets, brochures, information sheets and accessories intact. We reserve the right to refuse returns or to charge you for our reasonable cost if the product is received otherwise than in accordance with these requirements. **This does not affect Your Statutory Rights.**
- 2. Defective Items** - If the item is defective, please contact the Universeal Technical Team where we will discuss the defect and, if necessary, arrange to assess the item in person. Universeal will work with you to resolve any issues that may arise. If it cannot be rectified, we will at our discretion arrange to replace the item.
- 3. By Law** - By law, customers in the European Union also have the right to withdraw from the purchase of an item within seven working days of the day after the date the item is delivered. This applies to all of our products.
- 4. Returning Items** - We regret that we cannot accept cancellations of contracts for the purchase of products where the item has been unsealed or used. To cancel your purchase within the seven-working-day cooling-off period, please notify Universeal by phone, fax, email or letter, stating the reason for the return. Please package the relevant item(s) securely and return it to us within 30 days following the date that the item was delivered to you. For your protection, we recommend that you use a recorded-delivery service if the value of the return is more than £50.00. Please note that you will be responsible for the costs of returning the items to us unless we delivered the item to you in error, or if the item is damaged or defective. If we do not receive the item back from you with the delivery slip, we may arrange for collection of the item from your residence at your cost.

- 5. Refunds** - As soon as we receive notice of your cancellation of this order, we will refund the relevant part of the purchase price for that item together with the item's normal postage charge within 7 days. If a credit or debit card has been used, the money will be refunded to this card and may take up to 30 days to appear on the card statement - we cannot refund any priority, express or courier component of the postage charge. For more information on your right to withdraw from your purchase within the seven working day cooling-off period, visit the Department of Trade and Industry's website at: <http://www.dti.gov.uk/consumers/buying-selling/distance-selling/index.html>
- 6. Charges** - Return Charges will be assessed to the recipient together with the original Charges, unless the Shipment was undeliverable due to the fault of the carrier or Universeal. Also included will be any other Charges incurred by the carrier or Universeal including but not limited to duties, taxes and storage fees, if applicable.
- 7. Claims for Damage** - All claims must be made within 24 hours from receipt of delivery and notified in writing to Universeal within 7 calendar days after delivery of the Shipment, failing which no action for damages may be brought against the carrier or Universeal. Receipt of the Shipment by the Recipient without written notice of damage on the delivery receipt is prima facie evidence that the Shipment was delivered in good condition. As a condition for the carrier considering any claim for damage the Recipient must make the contents, original shipping cartons and packaging available for inspection by the carrier and Universeal. Universeal and the carrier reserve the right to inspect damaged Shipments on the customer's premises as well as the right to retrieve the damaged Package for inspection at the carriers or Universeal facility. All of the original shipping cartons, packing and contents must be made available for inspection by the carrier and Universeal and retained until the claim is concluded.
