RAIN-OFF TECHNICAL APPLICATION GUIDE

DESCRIPTION

BRICK, MASONRY AND PATIO SEALER

*Rapid development of excellent water repellency
Significantly reduces efflorescence, moss and algae growth
Self-cleaning action reduces the need for regular maintenance
Long lasting protection*

Universeal Rain-Off is a water based, technical synthetic resin emulsion. **Universeal Rain-Off** serves as a high-quality, general-purpose treatment to impart excellent water repellency and stain resistance to many external concrete, natural stone and masonry surfaces.

The unique formula of **Universeal Rain-Off** significantly reduces the capillary water absorption of the building or treated surface, but doesn't clog the pores or capillaries. Therefore significantly reducing efflorescence / salts blooming, organic soiling and moss and algae growth, whilst allowing the surface material the ability to "breathe" and transfer moisture vapour.

DIRECTIONS FOR USE

- Universeal Rain-Off** is an excellent water repellent for many absorbent mineral substrates, such as bricks, concrete, natural sandstone and many types of masonry surface.
- Using a sprayer, brush or mop (**we do not recommend using a roller**), apply the ready-to-use solution, to saturation. Two coats "wet on wet" are needed to ensure complete coverage.
- If rain is forecast or starts, then stop treatment immediately and cover the freshly impregnated areas, the surface is required to stay completely dry for the first 6 hours after application.

Please Note: Always try product in an inconspicuous area prior to use.

COVERAGE

Up to 10m² per litre

Dependant on porosity of surface. Check the surface after application to ensure full effectiveness of repellent.

PRECAUTIONS

KEEP OUT OF THE REACH OF CHILDREN & PETS

H302: Harmful if swallowed.
H315: Causes skin irritation.
H319: Causes serious eye irritation.

P102: Keep out of reach of children.
P262: Do not get in eyes, on skin, or on clothing.
P280: Wear protective gloves.
P301+330+331: IF SWALLOWED: rinse mouth. Do NOT induce vomiting.
P302+350: IF ON SKIN: Gently wash with plenty of soap and water.
P305+351+338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
P309+311: IF exposed or if you feel unwell: Call a POISON CENTRE or doctor.
P332+313: If skin irritation occurs: Get medical advice.
P337+313: If eye irritation persists: Get medical advice.

Product SDS sheet available to download from the Universeal website.
