GROUT MOULD SPRAY TECHNICAL APPLICATION GUIDE

DESCRIPTION

SPECIALIST CLEANER DESTROYS FUNGUS & ALGAE

*Removes mould & black spots from grout & silicone
Suitable for use around plastic & enamel baths & showers
Fast & effective*

Universeal Grout Mould Spray is a fast effective safe cleaner specially formulated for the removal of mould and unsightly black spots commonly found on grout joints and hard surfaces, i.e. bathroom area, ceramics, porcelain and most types of natural stones tiles.

DIRECTIONS FOR USE

SHAKE WELL BEFORE USING.

1. Read entire label before using.
2. Spray the surface to be treated from 3-5cm away.
3. Leave to work for 20-30 mins, then agitate with a stiff brush or scouring pad.
4. In the case of stubborn stains i.e. such as on silicone sealants, spray again and leave to work for up to 2-3 hours.
5. Clean the sprayed surface with a sponge & clean water.
Always test Universeal Grout Mould Spray on an inconspicuous area prior to use.

PLEASE NOTE: Avoid contact with metals and do not treat coloured surfaces. We do not recommend using this product on artexed surfaces. Avoid splashes on sensitive surfaces such as metal, wood or clothing.
